

Hadassah Charity Jertberg

We praise the Lord that Hadassah Charity Jertberg was born healthy and strong at **3:40am** on **July 25th**. She is **7 lbs. 3 oz.** and **19.5 inches long** and cute as can be!

God's timing for everything was perfect! Hannah (Ruth's sister) was able to come to the Ivory Coast to assist Ruth's Mom in the delivery. There were no complications at the birth, and we are all enjoying the sweet snuggles as we adjust to life with a newborn. Thank you for praying for us!
